7 DISTRICT OF NEVADA

8 \* \* \*

9 JEROME L. GRIMES,

Case No. 3:17-cv-00523-MMD-VPC

10 Petitioner,

ORDER

11 v.

12 STATE OF NEVADA,

13 Respondent.

14 Petitioner Jerome L. Grimes has submitted a purported *pro se* petition for writ of  
15 habeas corpus under 28 U.S.C. § 2254 (ECF No. 1-1). The petition is not on the court-  
16 required form, and the application to proceed *in forma pauperis* is incomplete.  
17 Accordingly, this matter has not been properly commenced. 28 U.S.C. § 1915(a)(2) and  
18 Local Rule LSR1-2. The present action, therefore, will be dismissed without prejudice.

19 Moreover, petitioner's filing is largely indecipherable, sets forth no discernible  
20 factual allegations cognizable in federal habeas and no discernible, plausible factual  
21 allegations that would state a claim for which relief may be granted in any event. He states  
22 that he is currently an "illegal" patient at Springfield Hospital Center in Sykesville, MD. He  
23 states that the relief he seeks is "to be free from tainting, defamation, fraudulent, coloring  
24 and prejudicial public 911 broadcasted information" (ECF No. 1-1 at 1). Petitioner's  
25 submission is delusional and frivolous.

26 It is therefore ordered that the Clerk detach and file the petition (ECF No. 1-1).

27 It is further ordered that petitioner's application to proceed *in forma pauperis* (ECF  
28 No. 1) is denied.

1 It is further ordered this action is dismissed as improperly commenced and  
2 frivolous.

3 It is further ordered that the Clerk enter judgment accordingly and close this case.

4  
5 DATED THIS 6<sup>th</sup> day of November 2017.
